Throwin up just like a gwaper  
Used to average 28, now I average 36  
Voices in my ear wassup the bricks, but all I hear is sweep  
I got 3 hoes in 3 different houses  
I average above the bitch  
Step on 30 rich, I done mine cost 30 needs  
German lean eyes 1 7 got me hella high  
It's all in the rich put 4 quarters bag tide that's all

Dawyne weigh gas, pal cost me 3000  
Then roll wrists, I could buy some houses  
Different name real, looking like a mountain  
Water colour diamonds, looking like a fountain  
Them white hour money, way taller than a tower  
Watching the heat place, wouldn't write that to paraley  
Busting salty gas, blacks one hundred took for cali
