

Time Clock

OJ da Juiceman

Hey hey hey hey hey excuse me sir excuse your 90 fat boy right
I was walkin around I'm new in town I was wondering know I would
dn just so having the time on you I'm new in town I wanted to know
wat time time is was it I check the time look at the clock
damn I'm shining look at my watch x (4) vvs all in my time clock
Right wrist iced out backin to the time now blowin on this kush
gave my vvs a wipe down white color stones same color as a snow
pow had to swich the besle with a head baby stone now yung
juice man and my watch go retarted ocean nail diamond and it blue
just like a tarus green color stone got it lookin like a forest
flava flav time but mine go the hardest we rollin in a bacelet
havein it lookin flawless ridin the mewer auto band supper
my time these finger n that is planet jupier your trap is find
but my trap boomin stupider

Look at my watch damn I'm shinein ow I'm blinein and your baby
mama blinded stupid as watch dis shit right here be priceless
and wen I hit the club mane I'm leavin with dem dices and I'm
headin to my house and I'm fuckin in my nike or should I say
dem murry durry cause the juice mane be so icey shout out to
zatov cause he keep the juice mane workin stupid booked up
and I'm diamonds just be surfing and tell me wat it do watch
just look like ercle n I wen I hit texas man I be sipin on the
purple yung juiceman I got that stupid money so wen I'm in the
club I'm be blowin that stupid funky
