

Another Set of Issues

OK Go

It all seemed so perfect
It all seemed like everything was right
It all seemed so perfect
It all seemed so fine
Until it was not

So keep your head down
Keep your hands where I can see them
So keep your head down
Keep your hands where I can see them now
This'll all be over soon
This'll all be over soon

Now, I know you've got
This whole other set of issues here
But I can't let you leave that way
But I can't let you, but I can't let you
But I can't let you leave that way
But I can't let you
But I can't let you leave

So keep your head down
Keep your hands where I can see them
So keep your head down
Keep your hands where I can see them now
This'll all be over soon
This'll all be over soon

It all seemed so perfect
It all seemed like everything was right
But I won't let you leave that way
But I won't let you, but I won't let you
But I won't let you leave that way
But I won't let you, but I won't let you leave

So keep your head down
Keep your hands where I can see them
So keep your head down
Keep your hands where I can see them now
This'll all be over soon
This'll all be over soon

No, I can't let you leave that way
So keep your head down
Keep your hands where I can see them
No I can't let you, no, I can't let you
Keep your head down
Keep your hands where I can see them
No, I can't let you, no, I can't let you leave
This'll all be over soon
This'll all be over soon
