

No Sign of Life

OK Go

Jay's locked out on the fire escape.
Sarah's still down on the bench at the Circle K, crying and crying all day.
Everybody's best attempts didn't do no good.
No sign of life.
But I got a hunch... it's not over yet.

Kate broke down on Division Street.
Air so wet you can hear your heart beat, and beat and beat and beat and beat.
Oh, I swear I gave it my best shot, what else could I do?
No sign of life.
