

On Tour With Zykos

Okkervil River

He gets close, but I choke
take your shit
take your clothes and get out of my home
well I want to love me, or I want you long gone
you say your real name is John

Hey thanks John, go sing songs
go rock on
roll your crew on down the road to the next sold out show
think you can get up above me
well I want you to know
you're a figure of fun to everyone beneath lone-
star neon blue broken sign
they wish they were you, like I wish you were mine
what a dumb thing to do
how come I shout
