

# You Don't Want to Fuck With Me

Ol' Dirty Bastard

Yo, when I say you don't want to fuck with me  
I'm not talking to you girl (and woman)  
Yo, 'cause y'all want to fuck... y'all want to fuck me

[Verse:]

I stay away from danger, danger stay away from me  
I kind of react on y'all niggas and then I flee  
Whatever you say is a mirage  
And on top of that, huh, nigga fuck y'all  
I'm the law of the land, got girls Uncle Nuggah  
I gagagaga got girls on the command  
I got the government lost on Gilligan Island (Nigga Please!)  
By December, CIA gettin' paid taxes back  
>From the Candy Cane, Santa came, back in the big hurricane  
You ain't shaggy anymore D8, I ain't in your ballgame  
I became, ain't your doggy bag ho same  
You gotta make Ol' Dirty a better man  
In the world if you wanna live  
Fuck y'all, God don't forgive  
I don't answer phones  
I'll never reveal the Wu-Tang secret, and if you don't believe  
I'll kill your shit

[Chorus: 2x]

You don't want  
You don't want fuck with me ('Cause my name is Ol' Dirty)

[Verse:]

Please Nigga!  
You couldn't jump jump jump  
You couldn't punk, you couldn't funk funk funk the shit up  
My name is Dirt Dog the 18  
Millimeter, shoot you up, bust you up (Fuck fuck, What?)  
I drop an ambulance on a nigga  
Mad trucks, runnin' over niggas  
I love bitches, when they front on they pussycat  
You ain't gettin' over like a fat rat  
Hate is the method, killin' all you savages  
You won't be sendin' me messages  
I put your nigga on pause, I keep that shit on  
Destroy you through your whores  
'Cause you ain't never had clout  
You niggas on a rat drought  
I never get tired, I ain't in your drama quote  
Suck my dick!

[Chorus: 6x]

(To the ugly girls, throw your hands in the fuckin' air!)  
(To the ugly bitches, wave 'em like you just don't care!)

[Verse:]

Yo, I'm the cunt breath asshole eater  
And if you let me physically eat it, it only get (burps)
