

Buick City Complex

Old 97's

Do you wanna mess around?
Do you wanna spend the night?
Yeah, I've known both kinds of love,
But I want to get it right this time.
I don't wanna settle down.
I don't want to make no plans,
'Cept for what I'm gonna do
With a pair of idle hands.

They're tearin' the Buick City Complex down;
I think we're the only people left in town.
Where you gonna move?
Where you gonna move?
Do you wanna mess around?

Do you wanna be my girl?
Do you wanna be my friend?
Do you wanna start it off,
Just to see how it'll end?
Do you wanna mess around?
I mean, deep down in your bones?
In a hotel swimmin' pool?
On a public telephone?

They're tearing the Buick City Complex down;
I think we're the only people left in town.
Where you gonna move?
Where you gonna move?
Do you wanna mess around?

They're tearin' the Buick City Complex down;
I think we're the only people left in town.
Where you gonna move?
Where you gonna move?
Do you wanna mess around?

Where you gonna move?
Where you gonna move?
Do you wanna mess around?
