

Busted Afternoon

Old 97's

There was a fine rain.
There was a red wine.
There was a long whistle;
It was a good sign.

There was a band playin'
Somewhere off-screen.
There was a girl sayin',
"Come clean."

In a dream,
On a bus,
On a busted afternoon.
In a haze,
On a bus,
On a busted afternoon.
In a bad way,
On a busted afternoon.

There was a sad truth.
There was a punch line.
There was a long whistle;
It was a good sign.
There was a long goodbye.
There was a long goodbye.

In a dream,
On a bus,
On a busted afternoon.
In a haze,
On a bus,
On a busted afternoon.
In a bad way,
On a busted afternoon.

In a dream,
On a bus,
On a busted afternoon.
In a haze,
On a bus,
On a busted afternoon.
In a bad way,
On a busted afternoon.
