

Weightless

Old 97's

I reckon Heaven is a place
Where time is nonexistent, yeah
And the things that are important, yeah
Don't take any time at all

An awful lot like like outer space
Where everything is weightless, yeah
Even heavy things are weightless, yeah
Don't take up any space at all

Right on, right on
Oh yeah, it's so clear
All the bad things are gone
All the good things are here

Right on, right on
Oh yeah, it's so clear
All the bad things are gone
All the good things are here

Almost exactly like this place
Where people talk forever, yeah
And it's always stormy weather, yeah
Stormy weather's the best kind

Right on, right on
Oh yeah, it's so clear
All the bad things are gone
All the good things are here

All the bad things are gone
All the good things are here

I reckon Heaven is a place
Where everything is weightless, yeah
Even heavy things are weightless, yeah
Up there, we'll never find it all
