

# You Belong To My Heart

Old 97's

You belong to my heart  
Now and forever  
Though our love had it's start  
Not long ago

Well we were gathering stars  
And a million guitars  
Played our love song

When I said I love you  
Every beat of my heart  
Said it too

Was a moment like this  
When I first found you  
And your eyes threw a kiss  
When they met mine

Now we own all the stars  
And a million guitars  
Are still playing

Now you are a song  
And you'll always belong  
To my heart

Now you are a song  
And you'll always belong  
To my heart
