

Brushy Mountain Conjugal Trailer

Old Crow Medicine Show

Doing hard time just got a little hotter
Way up on the cellblock listen to her holler
Looky here honey if you don't keep quiet
We're bound to start another Brushy Mountain prison riot

Come on we're unshackled tonight
I got a little time off for good behavior
So let's rock it in the Brushy Mountain conjugal trailer

All shackled up and incarcerated
Locked down lovers just a getting reacquainted
Bars on the window, listen to 'em rattle
Tin can jumping like a rodeo saddle

Come on we're unshackled tonight
I got a little time off for good behavior
So let's kick it in the Brushy Mountain conjugal trailer

Give me a slide out double-wide Class A trailer
Wrap it up in razor wire and take it to the jailer
Hurry up honey cause they hang me at dawn
I wanna jive a little 'fore I put my jumpsuit on

Early next morning there's a knock upon the trailer
It's old mister hangman looking for a favor
Hey buddy with the lady if you do some introducing
I'll call up the governor for a stay of execution

Come on we'll liberate you tonight
If you'll allow the pretty lady to stay a little later
And let me in your Brushy Mountain conjugal trailer

(I'm knocking boy)
Come on, wow-wow...
