Old Crow Medicine Show

You may call me a rover I have rambled around  
But I'll quit my roaming when I get to Nashville town  
You may call me a liar or a hard-headed fool  
But I'm burning into Memphis on a flop-eared mule

I'm Tennessee bound bound bound  
Bound bound bound  
Good Lord I'm Tennessee bound

Come a rolling down the mountain there's a girl of fourteen  
She's the sweetest apple blossom just a hillbilly queen  
I'm a coming round the mountain, don't you try to follow me  
I'm a gonna be her daddy when I get to Tennessee

I'm Tennessee bound bound bound  
Bound bound bound  
Good Lord I'm Tennessee bound  
[x2]

Ooh Tennessee bound  
Ooh Tennessee bound

Oh they say the stars in Texas surely shine shine shine  
But I'd trade them all to taste a drop of mulberry wine  
I'm a coming through the desert if I have to I will crawl  
There's a paradise a waiting once I get through Arkansas

I'm Tennessee bound bound bound  
Bound bound bound
