

Tennessee Pusher

Old Crow Medicine Show

Out on the lonely highway
I'm riding your way
Tell your momma to bar the cabin door

Heading out on a short run
Just looking for someone
Who doesn't love me anymore

Tennessee pusher, Tennessee pusher, Tennessee pusher

Last night in the hollar
I made a thousand dollars
But I couldn't believe just what I saw

You were out in the moonlight
Until the break of daylight
Giving your love to the law

Tennessee pusher, Tennessee pusher, Tennessee pusher

Climbing up on the mountain
Heartbeat pounding
Reckless as a cyclone

You're the one that am after
But I am a wanted man for
Bringing it all back home

Now there's gunsmoke in the valley
Blood like jelly
As three crows circle a dead tree

One for the lover
One for the pusher
One for the deputy

Tennessee, Tennessee, Tennessee pusher
Tennessee pusher, Tennessee pusher, Tennessee pusher
