

## Thy Servant

## Old Man's Child

A being of evil nature son of deaths creator  
I am the one you fear the master of your despair  
Raised under satans spell inspired by the judgement bells  
now I am at war I'll make you Satan's whore  
The devil spawn of demoniac breed in a ghostly form by evil see  
d  
I am the anti-Christ I am the anti-life  
Marked by the sign of the beast I roam  
the streets unleashed praised be the one, the evil son

The blood of Christ  
Shall be your defeat  
On the crucifix  
You will meet your God
