

# Bulletproof

Oleander

I've been looking from the outside in  
At strangers faces and old familiar friends  
I remember what it means to you  
To mean so much to me

And in the morning when I wake up worn and tired  
I look at you and smile  
It's what you give me that I need to face the day  
Get on my way

It's your love that keeps me going  
It's your love that makes me who I am  
I might bend, but I'm not broken, I'm bulletproof  
Yeah, bulletproof this time

I'm given inches just to take a mile  
Get in my place now Movin' single file  
Altogether everyone of us  
Alone and on our own

And in the static of my daily life  
I hear you talking, saying its alright  
It's what you give me that I need  
To face the day, get on my way

It's your love that keeps me going  
It's your love that makes me who I am  
I might bend, but I'm not broken, I'm bulletproof  
Yeah, bulletproof this time

Oh, yeah, altogether every thought of us  
Makes me feel so alive  
Hey, hey, oh, yeah  
All of my life, all of my life  
I've been waiting for this

It's your love that keeps me going  
It's your love that makes me who I am  
I might bend, but I'm not broken, I'm bulletproof  
Yeah, bulletproof this time
