

# Don't Explain

Oleta Adams

Hush now, don't explain  
You're the cause of all my trouble and pain  
Unless you're mine don't explain

My love, my love, my love don't explain  
There is nothing with me not to gain  
You know that I love you

Look at what lovin' has done  
All my thoughts were real and so sincere  
I was so completely yours

You know, I hear folks cha-cha-chatter  
And I know you cheat  
Right or wrong right now doesn't matter

You're here with me, sit down, have a seat  
It's your time to feel the pain  
It's your time to reel, don't explain

Hush now, don't explain  
There is nothing with me now to gain  
I'm gonna skip [Incomprehensible]  
Don't explain, don't explain
