

Everything Must Change

Oleta Adams

Everything must change
Nothing stays the same
Everyone will change
No one stays the same
The young become the old
And mysteries do unfold
'Cause that's the way of time
Nothing and no one goes unchanged
There are not many things in life
You can be sure of
Except rain comes from the clouds
Sun lights up the sky
And hummingbirds do fly
Winter turns to spring
A wounded heart will heal
But never much too soon
Yes, everything will change
The young become the old
And mysteries do unfold
'Cause that's the way of time
Nothing and no one goes unchanged
There are not many things in life
You can be sure of
Except
Except rain comes from the clouds
Sun lights up the sky
And hummingbirds do fly
Rain comes from the clouds
Sun lights up the sky
And hummingbirds do fly
Rain comes from the clouds
Sun lights up the sky
Hummingbirds do fly
Everything must change
No one stays the same
No one, no one
Everyone must change
Nothing
And the sun
Hummingbirds
Except the rain
Except the music makes me cry
