

Until It's Time for You to Go

Oliver

I'm not a dream
I'm not an angel
I'm a man

You're not a queen
You're a woman
Take my hand

We'll make a space in the life that we planned
And here we'll stay until it's time for you to go

Yes, we're different
Worlds apart
We're not the same
We laughed and played at the start
Like in a game

You could've stayed outside my heart
But in you came
And here you'll stay until it's time for you to go

Don't ask why
Don't ask how
Don't ask forever
Just love, love me now

This love of mine has no beginning
It has no end
I was an oak
Now I'm a willow
I can bend

And though I'll never in my life see you again
Still I'll stay 'til it's time for you to go

Don't ask why
Don't ask how

No, don't ask forever of me
Just love, love me now

This love of mine has no beginning
It has no end
I was an oak
Now I'm a willow
I can bend

And though I'll never in my life see you again
Still I'll stay 'til it's time for you to go

I'm not a dream
I'm a man
You're a woman
Take my hand
