

# Until It's Time for You to Go

Oliver

I'm not a dream  
I'm not an angel  
I'm a man

You're not a queen  
You're a woman  
Take my hand

We'll make a space in the life that we planned  
And here we'll stay until it's time for you to go

Yes, we're different  
Worlds apart  
We're not the same  
We laughed and played at the start  
Like in a game

You could've stayed outside my heart  
But in you came  
And here you'll stay until it's time for you to go

Don't ask why  
Don't ask how  
Don't ask forever  
Just love, love me now

This love of mine has no beginning  
It has no end  
I was an oak  
Now I'm a willow  
I can bend

And though I'll never in my life see you again  
Still I'll stay 'til it's time for you to go

Don't ask why  
Don't ask how

No, don't ask forever of me  
Just love, love me now

This love of mine has no beginning  
It has no end  
I was an oak  
Now I'm a willow  
I can bend

And though I'll never in my life see you again  
Still I'll stay 'til it's time for you to go

I'm not a dream  
I'm a man  
You're a woman  
Take my hand
