## Until It's Time for You to Go

I'm not a dream I'm not an angel I'm a man You're not a queen You're a woman Take my hand We'll make a space in the life that we planned And here we'll stay until it's time for you to go Yes, we're different Worlds apart We're not the same We laughed and played at the start Like in a game You could've stayed outside my heart But in you came And here you'll stay until it's time for you to go Don't ask why Don't ask how Don't ask forever Just love, love me now This love of mine has no beginning It has no end I was an oak Now I'm a willow I can bend And though I'll never in my life see you again Still I'll stay 'til it's time for you to go Don't ask why Don't ask how No, don't ask forever of me Just love, love me now This love of mine has no beginning It has no end I was an oak Now I'm a willow I can bend And though I'll never in my life see you again Still I'll stay 'til it's time for you to go I'm not a dream I'm a man You're a woman Take my hand
