

# Can I Trust Your Arms

Olivia Newton-John

Sunlight fades to black  
And I'm still alone  
No one can understand  
Why I need to do this on my own

What I need I always push away  
I try to make you leave  
But you always stay  
I fight the falling  
I push against the pull of it all  
I'm scared of not knowing  
What will happen if I fall into your arms  
Can I trust your arms  
Can I trust your arms

My tears would always hide  
When I looked into your eyes  
But now I know that you see beauty in my human cries  
The sky is turning gray today  
So I can be blue  
I'm learning love is being all I am in front of you

I fight the falling  
I push against the pull of it all  
I'm scared of not knowing  
What will happen if I fall into your arms  
Can I trust your arms  
Can I trust your arms

I'm weak today  
Please look away  
Tomorrow I'll be strong  
You take my hand  
And hold my heart  
And you let me fall

Sunlight fades to black  
And I'm still alone  
No one can understand  
Why I need to do this on my own

I fight the falling  
I push against the pull of it all  
I'm scared of not knowing  
What will happen if I fall into your arms  
Can I trust your arms  
Can I trust your arms
