Free The People

Olivia Newton-John

Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me

Saw your light from the street
As I passed by the other day
I was scared, my knees were weak
Forgot what I had come to say

Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me

Saw a man walk on water
Everybody looking on
I didn't know I was His daughter
Till both of us had come and gone

Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me

If you see me in the valley
Looking like I don't belong
You can put me in your greenest valley
I'll still be singing this same old song

Free the people from the fire
Pull the boat out of the raging sea
Tell the Devil he's a liar
Come and save the likes of me
