

## How Insensitive

Olivia Newton-John

How insensitive i must have seemed  
When she told me that he loved me  
How unmoved and cold i must have seemed  
When she told me so sincerely

Why she must have asked  
Did i just turn and stare in icy silence  
What was i to say  
What can you say when a love affair is over

Now she's gone away  
And i'm all alone with the memory of her last look  
Vague and drawn and sad, i see it still

All her heartbreak in that last look  
Why she must have asked  
Did i just stare in icy silence  
What was i to do

What can one do when a love affair is over
