

Lift Me Up

Olivia Newton-John

When I'm down on my luck and I'm searching for my soul
When I'm feeling too much and I start to lose control
When I'm down so low that even enemies don't wanna know
You still care for me say a prayer for me and I know

Ooo I like you hanging around
Cause you lift me up when I am upside down
Ooo you are my favourite sound
Cause you're always down for

Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me
I don't wanna let you go

When I'm lost along way and I can't face another day
And if I stumble on the road and if I can't carry the load
And if I lose my faith, and kindness, and generosity
Would you hold my hand?
Say you understand my pain

Ooo I like you hanging around
Cause you lift me up when I am upside down
Ooo you are my favourite sound
Cause you're always down for

Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me
I don't wanna let you go

It's been a long hard road and it's only just begun my friend
And this I know you helped me carry the load
Cause you're always down for

Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
Whell you're always around
You're my favourite sound

Lift me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms are around me
I don't wanna let you go

I don't wanna let you go
Cause you lift me up now
Whell you're always around...
You're my favourite sound
Lift me up now
You lift me up
Lift me up now
Yeah you're always around

You're my favourite sound
Lift me up
Ohh...Year...
