

## Love is Letting Go of Fear

Olivia Newton-John

The pain is something that you can't ignore  
You're always wondering  
What the hurt is for  
Your heart feels something  
That it can't explain  
You yearn for love  
But you're afraid to change  
Remember... the wounded bird still sings  
Remember...that faith has tiny wings

Love is letting go of fear  
Love is letting go of doubt  
Love is letting go of chains  
That tie your spirit down and  
Love is letting go of pain  
Love is learning how to dance  
Inside the light again

You're always haunted by the love you lost  
You're scared that  
You'll forever pay the cost  
You believe this is the bitter end  
Better lonely than be hurt again  
Remember there's always one more chance  
Remember that love's the only dance

Love is letting go of fear  
Love is letting go of doubt  
Love is letting go of chains  
That tie your spirit down and  
Love is letting go of pain  
Love is learning how to dance  
Inside the light again

Love is letting go of pain  
Love is learning how to dance  
Inside the light again

Mmm love with all your heart  
Mmm love with all your soul  
Mmm love with all your might  
Mmmmmm... let go ...
