Loving Arms

Olivia Newton-John

If you could see me now
The one who said that she'd rather roam
The one who said she'd rather be alone
If you could only see me now

If I could hold you now

Just for a moment if I could make you mine

Just for a while turn back the hands of time

If I could only hold you now

I've been too long in the wind
Too long in the rain
Taking any comfort that I can
Looking back and a-longing for the freedom of my chains
Lying in your loving arms again

If you could hear me now Singing somewhere through a lonely night Dreaming of the arms that held me tight If you could only hear me now

I've been too long in the wind
Too long in the rain
Taking any comfort that I can
Looking back and a-longing for the freedom of my chains
Lying in your loving arms again
I wanna be lying in your loving arms again
