Make a Move on Me

Olivia Newton-John

I can tell you got plans for me And your eyes are saying you made them carefully But tonight I have to say there just might be another way Won't you spare me all the charms and take me in your arms I can't wait, I can't wait

I'm the one you want, that's all I wanna be So come on baby make a move on me Got nowhere to go, all my time is free So come on baby make a move on me tonight I can't wait, I can't wait

You made the prettiest speech I've heard But a single touch surely is worth a thousand words To a heart that's open wide and from the start was on your side Won't you spare me all the charms and take me in your arms I can't wait, I can't wait

I'm the one you want, that's all I wanna be So come on baby make a move on me Got nowhere to go, all my time is free So come on baby make a move on me tonight I can't wait, I can't wait

I'm the one you want, that's all I wanna be So come on baby make a move on me Got nowhere to go, all my time is free So come on baby make a move on me tonight I can't wait, I can't wait
