No Regrets

Olivia Newton-John

I know your leaving's too long overdue For far too long I've had nothing new to show to you Goodbye dry eyes I watched your plane fade off west of the moon And it felt so strange to walk away alone

No regrets No tears goodbye Don't want you back We'd only cry again Say goodbye again

The hours that were yours Echo like empty rooms The thoughts we used to share I now keep alone I woke last night and spoke to you Not thinking you were gone It felt so strange to lie awake alone

No regrets No tears goodbye Don't want you back We'd only cry again Say goodbye again

Our friends have tried To turn my nights into day Strange faces in your place Can't keep the ghosts away Just beyond the darkest hour Just behind the door It still feels so strange to lead my life alone

Oh no regrets No tears goodbye Don't want you back We'd only cry again Say goodbye again
