Sam

Olivia Newton-John

I heard that you're on your own now So am I I'm living alone now I was wrong So were you What will you do? Are you glad to be free? Are you feeling lost just like me? Longing for company Oh Sam, Sam, you know where I am Come around and talk awhile I need your smile You need a shoulder Oh Sam, Sam, you know where I am And the door is open wide Come on inside Longing to see you Oh Sam, Sam, you know where I am I find the days hard to face now Empty rooms There's much too much space now And the nights go so slow I'm sure you know Wish I knew what to do It would be so nice seeing you And it might help you too Oh Sam, Sam, you know where I am Come around and talk awhile

Come around and talk awhile I need your smile You need a shoulder Oh Sam, Sam, you know where I am And the door is open wide Come on inside Longing to see you Oh Sam, Sam, you know where I am

Oh Sam, you know where I am Oh Sam, ooh Sam You know, you know You know where I am
