Smile for Me

Olivia Newton-John

Smile for me Let me know that I will always be The one and only one you'll always need Baby, smile for me

Smile for me Chase away the cloud that constantly Is like a shadow hanging over me Baby, smile for me

Smile your smile of total tenderness Smile the smile that takes away the rain Smile away my total emptiness For I never wanna have to cry again

Smile for me And I'll become the girl you want to see No, there's nothing that I can't be If you'll just smile for me

Smile your smile of total tenderness Oh smile your smile Smile the smile that takes away the rain Smile away my total emptiness No, I never, never wanna have to cry again

Smile for me
And I'll become the girl you want to see
No, there's nothing that I can't be
If you'll just smile for me
No, there's nothing, nothing that I can't be
If you'll just smile for me
Smile for me
