

# The Best Of Me

Olivia Newton-John

(David Foster)

So many years gone, still I remember  
How did I ever let my heart believe  
In one who never gave enough to me  
And so many years gone, a love that was so wrong  
And I can't forget the way it used to be

You were my one more chance I never thought I'd find  
You were the one romance I've always known in my mind  
No one will ever touch me more  
I only hope that in return  
I might've saved the best of me for you

And we'll have no ending, no no  
If we can hold on  
And I think I've come this far because of you  
Could be no other love but ours will do

You were my one more chance I never thought I'd find  
You were the one romance I've always known in my mind  
No one will ever touch me more  
I only hope that in return  
I might've saved the best of me for you

No one will ever touch me more  
I only hope that in return  
No matter how much we have to learn  
I've saved the best of me for you
