

# When You Believe

Olivia Newton-John

When you believe  
Like I believe  
You can turn your life around  
And live your dream  
What makes you strong  
What drives you on  
You know you're not alone when you believe  
Here's to the girl I left behind  
The one who thought the world would always pass her by  
She looks at me now  
With wonder in her eyes  
She knows how far I've come  
How hard I've tried  
When you believe  
Like I believe  
You can turn your life around  
And live your dream  
What makes you strong  
What drives you on  
You know you're not alone when you believe  
Here's to the woman I have become  
The one who wants to thank you for all you've done  
You lift me high  
You gave me wings to fly  
And all I want to say is you take my breath away  
Look at me now  
The wonder I can't hide  
I know how far I've come  
How hard I've tried  
The way I feel inside  
When you believe  
Like I believe  
You can turn your life around  
And live your dream  
What makes you strong  
What drives you on  
You know you're not alone when you believe  
(When you believe)  
Like I believe  
You can turn your life around  
And live your dream  
What makes you strong  
What drives you on  
You know you're not alone when you believe  
You know you're not alone When you believe...
