

## Are U Capable

Olivia

Get your cock stiff and change the topic  
Mansion in the tropics, hot shit  
Laser cut key by the locksmith  
Tight security, see four just to pop shit  
Nigga know we stop shit  
Only see the bra's, see more when you cop it  
Dolce Gabbana, size four and I rock it  
I got all your cash, what more can I pocket  
Holdin' down the fort, no other bitch can top this

Can you flip it? Can you hit it? Are you ready to get with it tonight?  
Can you give me what I want? Can you do the things I want?  
Can you kiss below the border while I run a camcorder tonight?  
Can you give me what I want? Are your skills ??, can you do me right?

Are you capable? (Are you capable?)  
Do you think that you can handle the floor?  
For sure (for sure, for sure)  
Are you capable? (Are you capable?)  
Can you spank it 'til I'm beggin' for more?  
For sure  
Are you capable?

Who be the caramel mami  
Niggas wanna with me like I was the Kawasaki  
Open up the Pocahontas face, the Gabanna lace  
Shit I hate your man, hopin' never leave a trace  
Yo why you fell in love with a dime like, oh lovely  
Sippin' bubbly, niggas wanna rub me  
In the tub, see, cause I'm nasty  
Though your back be in the backseat  
In my rimmed up Navy

Can you flip it? Can you hit it? Are you ready to get with it tonight?  
Can you give me what I want? Can you do the things I want?  
Can you kiss below the border while I run a camcorder tonight?

Do you got the stamina?  
Are you just an amateur?  
Are you capable? (We can pull an all-nighter)  
Can you ??  
Do you got the anedote?  
Are you capable? (Are you capable? Are you capable?)  
Can you give me what I need baby?
