

I Do

Olivia

Tell me do you want it like I do?
Livin' in the moment with you
And I don't know where this is going,
But I must admit that I like it

Whatever you want, we gon' get it
Just promise me that you got me baby
And I'll give my all

Baby give it all to me like I want it,
I want it
Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

So what you sayin' ya?
I do
So what you sayin' ya?
I do
So what you sayin' ya?
I do
Oh yeah

Giving you everything that I have
And hoping you return that, you will
Love me forever, yeah, and love to heaven

Whatever you want, we gon' get it
Just promise me that you got me baby
And I'll give my all

Baby give it all to me like I want it,
I want it
Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

So what you sayin' ya?
I do
So what you sayin' ya?
I do
So what you sayin' ya?
Montana
I do
Oh yeah

Sittin, reminiscin'
Before you start dissing 'bout he said and she said
Hi! Hope I never break a promise
Ain't nothin' changed but the commas
Shawty came lookin' from the bottom of the south hood
We fight, make up, then it's all good
Cause I ain't tryin' to hurt nobody
And love don't love nobody
Shawty broke down the whole thing when I leave it
Now they got me dippin' in the white gold speedin'
I went from gripping thongs to Wimpin' hoes
French Montana

Baby give it all to me like I want it,
I want it
Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

Baby give it all to me like I want it,
I want it
Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

So what you sayin' ya?
I do
So what you sayin' ya?
I do
So what you sayin' ya?
Montana
I do
