You Got The Damn Thing

Or brake me

But everything about you

Underdogs You know you got the damn thing You got the damn thing I like (oh yeah) you know you got the damn thing I like , like,i like (you got the damn thing) you know you got the damn thing I like, you know you got the damn thing Papi, fly as can be Lookin flosey now daddy I see you thugin with your peeps That's so sexy to me Your a dime piece like me Like what I see I'm gonna get it We can take it to my drop top Tell ur boys that you just hooked up Little chick Little ride Got a little bit of thug in me You know its goin down if I let you mash wit me Baby cant you see Cant you see that I'm feelin you everything about you is so tight, you know you got the damn thing I like Gotta a G straight trippin Up in the club wit your wrist iced up and your temps like what all right Sometime you know you got the damn thing I like the kind that makes me sippy hen straight up wit your wrist laced up I feelin you cuz you got the damn thing I like All these guys gettin at me But you don't speak what you don't see me Boy you know you do But you got this attitude Actin all hard in your ?? Turnin me on You know I'm waiting Baby why don't we shake up spot And tell your boys that you just hooked up Little chick Little ride Got a little bit of thug in me You know its goin down if I let you mash wit me Baby cant you see Cant you see that im feelin you everything about you is so tight, you know you got the damn thing I like Gotta a G straight trippin Up in the club wit your wrist iced up and your temps like what all right Sometime you know you got the damn thing I like the kind that makes me sippy ?? straight up wit your wrist laced up I feelin you cuz you got the damn thing I like Usually playas Cant fade me Cant make me

Olivia

Has got me twisted I'm tweakin for them From your luv mentality yeah I'm feelin ya feelin ya feelin ya

Little chick Little ride Got a little bit of thug in me You know its goin down if I let you mash wit me Baby cant you see Cant you see that I'm feelin you everything about you is so tight,you know you got the damn thing I like Gotta a G straight trippin Up in the club wit your wrist iced up and your temps like what all right Sometime you know you got the damn thing I like the kind that makes me sippy ?? straight up wit your wrist laced up I feelin you cuz you got the damn thing I like
