

Cry Your Heart Out

Olly Murs

Do do do do do do do do
Oooh
Do do do do do do do do
Do do do doooooo

Hey! Ha!

I'm back again.
Now it's sunny in my mind.
And I don't miss the rain,
Used to feel it all the time.
Put away my troubles,
I left them all behind.
Now every time I look up,
Clear blue skies

And here you come again,
Like a cloud in my view.
You're blocking all of my light,
Like only you could do.

You tried to say sorry,
Girl, drop it, drop it.
You really need to stop it.
I wanna change the topic now.

'Cause every time we end up in the same silly situation.
Yeah
And did you really think that you could walk,
And I'd be here waiting?

Your turn to cry your heart out.
Let me stop before you start out.
Don't need your explanations,
No.
'Cause I don't really want to know
About
The way you're feeling now.
'Cause you're the one who got time out,
So go and you can cry your heart out.

Do do do do do do do do
Do do do do do do
Do do do do do do
Oooh yeah

I go ahead
And keep them all in from your eyes.
Crocodile tears,
They were never fooled the wise.
I wised to your game girl,
But now your out of lies.
Love me.
Be blind,
But I'm deaf to your kind.

Here you come again,

Like a cloud in my view,
You're blocking all of my light,
Like only you could do.

You tried to say sorry.
Girl drop it, drop it.
You really need to stop it.
I wanna change the topic now.

'Cause every time we end up in the same silly situation.
Yeah
And did you really think that you could walk,
And I'd be here waiting?
Ohhhh

Your turn to cry your heart out.
Let me stop before you start out.
Don't need your explanations,
No.
'Cause I don't really want to know
About
The way you're feeling now.
'Cause you're the one who got time out,
So go and you can cry your heart out.

Cry, cry, cry,
It's time for you too.
It's up already.
Done enough to put out the fires you left behind.
Yeah
Why, why, why?
Everything you ever did,
Has come and gone.
You,
Look at me now.
Did not want you,
So
It's Your turn, your turn to cry your heart out/
Let me stop before you start out.
Don't need your explanations,
No.
'Cause I don't really want to know
About
The way you're feeling now.
'Cause you're the one who got time out,
So go and you can, and you can and you can.

Your turn to cry your heart out.
Let me stop before you start out.
Don't need your explanations,
No.
'Cause I don't really want to know
About
The way you're feeling now.
'Cause you're the one who got time out,
So go and you can cry your heart out.
