

Loud & Clear

Olly Murs

Are you happy now?
Are you satisfied with the way
That you let our love die?
So how's it feel to be on the other side
Without me in your life?

I was calling you my world, my heart, my everything
Ooooh
But you didn't give a damn, enough to let me in
But now you know.

If you want to love you've got
To give love or it will disappear
Now you're all alone wishing
You could go back to where
You're happy here
But it's too late to make it right
And you can't take back the byes
No you can't reverse the tears
The truth is hitting you loud and clear
Like oooh oooh
Like oooh oooh.

Stop, baby, let it out
Is there a dark cloud looming
Over you since our breakdown? Has it been difficult?
And are you miserable? Are you missing us now?

I was calling you my world, my heart, my everything
Ooooh
But you didn't give a damn, enough to let me in
But now you know.

If you want to love you've got
To give love or it will disappear
Now you're all alone wishing
You could go back to where
You're happy here
But it's too late to make it right
And you can't take back the byes
No you can't reverse the tears
The truth is hitting you loud and clear
Like oooh oooh
Like oooh oooh.

How does it feel to be without—without my love around wishing you could
Turn it around?
Oooh. But now you know.

If you want to love you've got
To give love or it will disappear
Now you're all alone wishing
You could go back to where
You're happy here
But it's too late to make it right
And you can't take back the byes
No you can't reverse the tears

The truth is hitting you loud and clear
Like oooh oooh
Like oooh oooh
Ooooh oooh
Like oooh oooh
Ooooh oooh
Ooooh oooh
