

I drew a broken heart  
Right on your window pane  
Waited for your reply  
Here in the pouring rain  
Just breathe against the glass  
Leave me some kind of sign  
I know the hurt won't pass, yeah  
Just tell me it's not the end of the line  
Just tell me it's not the end of the line

I never meant to break your heart  
Now I won't let this plane go down  
I never meant to make you cry  
I'll do what it takes to make this fly  
Oh, you gotta hold on  
Hold on to what you are feeling  
That feeling is the best thing  
The best thing, alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction  
That's up

You drew a question mark  
But you know what I want  
I wanna turn the card, yeah  
Right back to where it was

So let's build the bridge, yeah  
From your side to mine  
I'll be the one to cross over  
Just tell me it's not the end of the line  
Just tell me it's not the end of the line

I never meant to break your heart  
Now I won't let this plane go down  
I never meant to make you cry  
I'll do what it takes to make this fly  
Oh, you gotta hold on  
Hold on to what you are feeling  
That feeling is the best thing  
The best thing, alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction  
That's up

Girl, I know we can climb back to where we were there  
Feeling here with my heart, put my heart in your head

Well, I hope and I pray that you do understand  
If you did all you have to say is  
Yeah Yeah Yeah Yeah Yeah  
Yeah Yeah Yeah Yeah Yeah  
Yeah Yeah Yeah Yeah Yeah  
I'm waiting for ya  
Yeah Yeah Yeah Yeah Yeah  
Yeah Yeah Yeah Yeah Yeah  
Yeah Yeah Yeah Yeah Yeah

I never meant to break your heart (C'mon)  
Now I won't let this plane go down (Let this plane go down)  
I never meant to make you cry  
Do what it takes to make this fly  
Oh, you gotta hold on  
Hold on to what you are feeling  
That feeling is the best thing  
The best thing, alright  
I'm gonna place my bet on us  
I know this love is heading in the same direction  
That's up
