

So Long Baby

Olympic

I see you're laughing and ah
Telling everyone in town
That you've made a fool of me
Well go and talk some more 'cause
Baby I don't care no more
You don't bother me at all

'Cause I got news for you
I was untrue too
And I don't care what you say-e-yay
So go and laugh some more 'cause
Baby I don't care no more
I've got another lover of my own

Step by step you put me down
Always calling me a clown
If you ever go away, promise me that you'll stay
Far, far, far, far, far from me-e-e-e-e-e

Now that we've played our game
I guess we're both to blame
We tried to break each other's hearts
You had one jump on me but
I jumped twice you see
It's all over now be on your way

So long baby, be on your way-e-yay-e
I had a ball, you thought I'd fall
You had one jump on me but
I jumped twice you see
It's all over now be on your way

So long baby....be on your way-yay
So long baby....be on your way-yay
So long baby....be on your way-yay
