

# Don't Leave

Omarion

Don't leave me now, now that I've turned around  
Don't leave me now  
Cause I finally figured it out

Don't leave me now  
Cause you deserve to keep the  
Man you made out of me

I don't wanna fight, I don't wanna hurt  
Don't want you to cry, I don't wanna do dirt no more  
Go get back the keys, don't walk out the door  
Need you here with me, girl this love is worth fighting for

Don't leave me  
Don't leave me (no more)  
Don't leave me  
Don't leave me, no

Don't leave me now, and all the games that a nigga played  
Done finally drove you away  
Don't leave me now  
Cause I can do better, girl I can do better  
Don't leave me now  
You see I don't do you the same, I done fell off  
Now you wanna walk away, baby hell no

I don't wanna fight, I don't wanna hurt  
Don't want you to cry, I don't wanna do dirt no more  
Go get back the keys, don't walk out the door  
Need you here with me, girl this love is worth fighting for

Don't leave me  
Don't leave me (no more)  
Don't leave me  
Don't leave me, no

Say you 'bout to leave but what you goin' for?  
You already know I ain't bout to let you roll like that  
You'll be talking shit and I'll just go along  
Even if you go, I know that you gon' roll right back  
She say that I don't listen, I do the big things but the little shit, I'm missin'  
She really just wanna fuck with a nigga that's official  
I promise that I'm tryin' to give you my last initial

Cause I don't wanna go crazy  
But you driving me there  
Now you fucking with my ego  
But baby I don't care

I don't wanna fight, I don't wanna hurt  
Don't want you to cry, I don't wanna do dirt no more  
Go get back the keys, don't walk out the door  
Need you here with me, girl this love is worth fighting

Don't leave me  
Don't leave me (no more)

Don't leave me  
Don't leave me, no
