In the Dark

Yea, all this time I been waitin' To get you in this room alone Now you're here its time listen

This can't be real The time has come For us to do our thing What I mean by do our thing is Come in and shut the door Your phone ring then press ignore I'ma give you what you waitin' for I am so anxious but a little nervous I know that you're the one So I can't explain what you do to me So turn off the lights Lets make it right Girl I wanna take it yea

In the dark, We can get touchy feely I'ma make sure you feel me Girl I can't wait to get us In the dark, This time can't be wasted Girl I'm tryna taste it Baby come and meet me In the dark, Don't be afraid when I touch you I just wanna love you We can get busy In the dark, It's time to get our grind on Baby don't be shy no All these things can happen In the dark

Don't want to complicate the situation So I'ma try my best to make it comfortable for you Girl you won't believe what's happenin' You gon' feel like a virgin again Guarantee you come back again One, we don't need no candle lights Two, the moon is shinin' bright Three, Baby all I need is your legs wrapped around me Four, we don't got no time for games Five, I wanna hear you scream my name Six, Cus it's time for me to slip myself up into you

In the dark, We can get touchy feely I'ma make sure you feel me Girl I can't wait to get us In the dark, This time can't be wasted Girl I'm tryna taste it
