

Just Can't Let You Go

This feels so good

Omarion

In the beginning we were supposed to be temporary
But you put that thang on me.
They tryna explain to me
That I should just let it be
'Cause I'm lookin' crazy.
But I can't be concerned with that.
I'm tryna get it again.

Said I'm not that hard.
You pull my card
Girl I'm tryna kick the habit,
I'm an addict.
I can't let you go,
Even though I know
That you're not what I need, and ain't good for me
I just can't let you go.

You got a man buy you all up on me.
And I know I should let it go,
You knockin' at my door
And put the pain (thang?) on me.
And you're talking to your homies.
I ain't concerned with that,
I'm tryna get it again.

Said I'm not that hard.
You pull my card
Girl I'm tryna kick the habit,
I'm an addict.
I can't let you go,
Even though I know
That you're not what I need, and ain't good for me
I just can't let you go.

Let it go.
Yeah
Ho!

(Just can't let you go)

Yeah!
Who!
Omarion!

I'm not that hard. (oh yeah!)
You pull my card
Girl I'm tryna kick the habit,
I'm an addict. (Just can't stop it baby)
I can't let you go, (yeah)
Even though I know (I know)
That you're not what I need, and ain't good for me
I just can't let you go. (for me, for me, oh baby)

uh
Just can't let you go...

Ah!
