

Last Night

Omarion

You to fly to be workin, workin, workin
You to fly to be workin, workout, workout
Got me going back to kinko's back to kinko's back to kinko's
You can throw me another free throw, free throw, yeah

Ooo Last night last night when I put you on the copy machine
Body printed out so right so right yeah mami can we do it the same
Just like last night last night when I put you on the copy machine
Body printed out just right just right ooo mama can we do it the same
Just like last night last night
Just like last night last night when I put you on the copy machine

This photo you ain't never gotta work never gotta work never gotta work
Ooo a little exposure ain't never gonna hurt never gonna hurt you
U got me shootin like porno porno porno porno porno
Big Stick to me just like a bag of fritos fritos fritos fritos
yeah

Ooo Last night last night when I put you on the copy machine
Body printed out so right so right yeah mami can we do it the same
Just like last night last night when I put you on the copy machine
Body printed out just right just right ooo mama can we do it the same
Just like last night last night
Just like last night last night when I put you on the copy machine

Baby just last night you was just lookin so right
I ain't try to put up no fight I had them legs up
Lamborghini Sucide Body so fly I just had to scan you put you on my hard drive
Why? Cus
Last night...

Ooo Last night last night when I put you on the copy machine
Body printed out so right so right yeah mami can we do it the same
Just like last night last night when I put you on the copy machine
Body printed out just right just right ooo mama can we do it th

e same

Just like last night last night

Just like last night last night when I put you on the copy machine
