

# Love & Other Drugs

Omarion

Falling  
I thought you  
Was everything I needed  
Everything I wanted  
I found love  
True love  
Baby girl you have my heart  
I knew it from the start

'Cause it feels like love  
Swear I didn't like burning tonight  
Girl I thought we'd make love  
Suddenly woke up, feels like...

Swear I saw you in my bed  
I know that... love you  
Girl you're messing with my head  
Got me all confused

Tell me what's the difference between love and other drugs  
'Cus in the end it all comes crashing down  
Tell me what's the difference between love and other drugs  
Baby girl you're just as dangerous  
You keep me falling

Keep-me fa-lling  
Keep-me fa-lling  
Keep-me fa-lling  
Keep-me fa-lling

Flow, I'm feelin like I'm crashin into that ocean  
If you got me something feeling I can do it  
You're the only one for me  
Baby I never give you that way

'Cause it feels like love  
Swear I didn't like burning tonight  
Girl I thought we'd make love  
Suddenly woke up, feels like...

Swear I saw you in my bed  
I know that... love you  
Girl you're messing with my head  
Got me all confused

Tell me what's the difference between love and other drugs  
'Cus in the end it all comes crashing down  
Tell me what's the difference between love and other drugs  
Baby girl you're just as dangerous  
You keep me falling

Keep-me fa-lling  
Keep-me fa-lling  
Keep-me fa-lling  
Keep-me fa-lling
