**On The Run OMC** A-why did I do it? A-why did I do it? I asked myself a hundred times and then I start to cry It's up to my neck now I'm runnin' like a dog I can't remember how it started, but it's 2 late 2 turn back th e clock I gotta keep on and on and on and on Oh my hearts prayin' for a heart attack I'm gonna collapse a but I better not I'll get a few years for the things I've done I'll never see the sunrise no more what the hell I gotta keep on, fighting for my sanity and for family And for my baby oh for my baby Bullshit aside yea I knew how to play the game right But this time I made a mistake and I'm gonna pay the price I'd rather be payin' to the grim reaper, than the law keeper I'm runnin' I'm runnin' I'm runnin' out of time To late to waste time in haste, I fell to my knees to pray for your god But your god wasn't there for me So I prayed to myself for long life and stamina I do believe I was startin' to lose my nerve and my mind I heard a little voice screamin'

If you do the crime you will send for the time If you do the crime you must render the time If you do the crime you must render the time

Shit I won't bow down to that A belly of a priest won't have its name on a slip no I gotta keep on movin' & groovin', I gotta keep on movin' & gro ovin' I gotta keep my mind clear 4 the devils and the demons I will n ot fear The devils and demons I will not fear
