

(Forever) Live and Die

OMD

1. I never wanted another
Come over to me and discover
I want to be near you
And you need to be far away
You always seem to make me feel at home
Hey
People I know

R: I never know, I never know, I never know, I never know why
You make me want to cry
I never know, I never know, I never know, I never know why
Forever live and die

2. I look at all of the people
Doing it over and over
You never get any older
I wish that you could be nearer
I look at you and I make the same mistakes.
Hey.
People I know

R: I never know...
