

## (Forever) Live and Die

OMD

1. I never wanted another  
Come over to me and discover  
I want to be near you  
And you need to be far away  
You always seem to make me feel at home  
Hey  
People I know

R: I never know, I never know, I never know, I never know why  
You make me want to cry  
I never know, I never know, I never know, I never know why  
Forever live and die

2. I look at all of the people  
Doing it over and over  
You never get any older  
I wish that you could be nearer  
I look at you and I make the same mistakes.  
Hey.  
People I know

R: I never know...
