Love and Hate You

I love and hate you At the same time I need you don't need you Is that such a crime

I wouldn't walk down the road To say goodbye I couldn't give you up To some other guy I wouldn't do anything That you asked me to But you know That it's true I still love you

I want you to help me To make up my mind I need you to hear me at least Some of the time

I wouldn't blame you If you had to run away I couldn't stand to live Like this another day But I would sell my soul To get you back today Cause you know That it's true I still love you

I wouldn't blame you If you had to run away I couldn't stand to live Like this another day But I would sell my soul To get you back today Cause you know That it's true I still love you

And you know That it's true I still love you

And you know That it's true I still love you OMD
