

## Love and Violence

OMD

She walks real slow  
Talks like an animal  
What am I  
Supposed to do?  
I've tried to explain  
My heart's not a radio  
But I can't seem  
To get to you

Face to face  
Tears on a heart of stone  
When she talks  
I walk away  
It seems to me  
It's just a waste of time  
These are words  
I know she's heard before

She's the girl  
Guess I'll always know  
And I've tried  
I've tried  
She always seems to know

The morning after  
But not before  
I haven't slept  
Worrying  
I know I promised  
To come see you  
But now I have these  
Things to do  
All in all  
It seems to me  
You don't understand  
Subtlety  
Shall I make it obvious  
Do you really want me to make up?

She walks real slow  
Like an animal  
What am I  
Supposed to do?  
Her bedroom talk  
Cuts like a razor blade  
Every test  
To put me through

She doesn't talk  
For days and days  
And when she does  
She always says  
That I act real slow  
Behave like an animal  
What am I  
Supposed to do?

And I've tried  
I've tried  
I just can't let her go  
And I've tried  
I've tried  
But she always seems to know  
We don't make sense  
Love and violence  
We don't make sense  
Love and violence  
We don't make sense  
Love and violence  
We don't make sense  
Love and violence  
We don't make sense  
Love and violence
