

Walk Tall

OMD

Can't wait to see you
Say black is white
Can't wait to hear you
Tell me lies
Say it with flowers
But I'd swallow too much pride
Stop counting the hours
'Til I'm right there by your side

(Walk tall) I'll never crawl to you
(Walk tall) not if you beg me to

Wishing and hoping
To see the light
Waiting and praying
It'll be alright
Remember the days we spent
Just lying on your bed
Remember how crazy we went
Right out of our heads

(Walk tall) I'll never crawl to you
(Walk tall) not if you beg me to

(Walk tall) I'll never crawl to you
(Walk tall) not if you beg me to
(Walk tall) I'll never crawl to you
(Walk tall) not if you beg me to
(Walk tall) I'll never crawl to you
(Walk tall) not if you beg me to
